

# Feedback Summary

## Arthur Lee:

- Add link to Forget Password page.
- Add follow/unfollow/block when viewing user's page.
- Focus on basic profile information like age, name and etc rather than social network integration.

## Salem:

- Wireframes should be simple. Remove the text formatting toolbar.
- Remove the music player.
- Increase user comments block size.
- Use Bootstrap Grid system for layout.
- Make the sign-up page as the landing page.
- Remove the navigation bar from the right side.
- Increase the size of like/unlike/comment/block user area block.
- Use an "Edit Profile" button to toggle Edit/View profile.
- Remove "Notification" Page.
